Your purchase of SmartCushion also means that these extraordinary warranties on Mohawk carpet not only benefit you, but are transferable to any subsequent owner of the residence in which the product is originally installed.

To sweeten the deal even more, ALL Mohawk carpets (excluding PermaStrand) receive a 100% non-prorated warranty on wear, texture retention, and stain resistance up to 7 years with a combined purchase of SmartCushion.

It goes without saying that Mohawk SmartCushion enhances the performance of your Mohawk carpet—with our warranty upgrades, we're extending performance as well!
