Laminate Floor Care Tips

Floor Cleaning

Sweep or vacuum regularly using the wand attachment on your vacuum cleaner.

Clean your laminate floor occasionally using a mop and Armstrong Hardwood & Laminate Floor Cleaner or Bruce Hardwood & Laminate Floor Cleaner.

Allow time for the floor to dry after washing.

Purchase Armstrong floor care products and floor protectors at your local flooring store or home center.

Floor Protection

Immediately wipe up wet areas from spills, muddy feet, and damp paws.

Place a natural or colorfast mat at outside entrances to reduce the amount of dirt and moisture tracked into your home.

Don't use soap-based detergents or "mop and shine" products, as they may leave a dull film on your laminate floor.

Don't use abrasive cleaners, steel wool, or scouring powder, which can scratch your floor.

Don't wax or polish your floor.
