

SPECIFICATIONS

Technical Standards for Floor, Wall and Countertop Tile

CERAMIC FLOOR TILE

The manufacturer uses advanced technology and high company standards to ensure long-lasting durability in our floor tile. We single fire each tile for superior quality and exceed industry standards for frost resistance, bonding strength, and abrasion resistance. United States Ceramic Tile also has superior glaze hardness, breaking strength, acid/alkaline resistance. Trim is available on some product lines.

WALL AND FLOOR TILE

The manufacturer has consistently exceeded all ANSI test requirements to earn the distinguished Master Grade Certificate (Blue Label) rating. This means The manufacturer's overall strength and appearance rank among the very best in the business.

LIMITED WARRANTY

The manufacturer warrants that it's First Quality (i.e. Standard Grade) ceramic tile manufactured according to ANSI A137.1.1988 and meet or exceed those requirements. This warranty does not apply to tile sold as economies or seconds.

The manufacturer makes no warranty as to the suitability of its tile for a particular installation. The manufacturer does not warrant that its glazed or unglazed tile will not scratch, chip or show signs of wear (except for certain specific product lines which carry a wear guarantee for a stated number of years). If a tile product shall be determined not to conform to the manufacturer's warranty, the buyer's sole and exclusive remedy shall be replacement of the product with tile of compatible color and shade as determined by the manufacturer. Labor and installation charges are expressly excluded from this warranty. The manufacturer shall not be liable under this warranty for any other damages, costs, or expenses, including, without limitation any incidental or consequential damages. The warranties set forth herein are in lieu of all other warranties expressed or implied. The manufacturer disclaims all other warranties, including implied warranties of merchantability and fitness for a particular purpose.

The manufacturer must be notified of any claims or defects as soon as reasonably possible, but in any case not later than one year after the goods have been delivered by the manufacturer (or within the stated number of years in the case of a "wear" guarantee). This notification must be in writing and be sent by certified mail, accompanied by proof of purchase to the manufacturer. Claims concerning the shade, appearance, caliber or obvious defects in First Quality tile must be communicated before the tile is installed.

No claims will be accepted for defects in other than First Quality tile (except for wear guarantees) or tile already installed.
